JUDGMENT

Counsel for the 8th respondent-Proprietor, M/s.Aisha Plastics, submits that the 8th respondent will always abide by the interim order passed by this Court. Presently the 8th respondent is having a licence for conducting a plastic recycling unit. The 8th respondent intends to diversify the unit. Diversification will be made only after getting appropriate licences in that regard from the Panchayat and consent/permit from other statutory authorities. Learned Standing Counsel for the Pollution Control Board submitted that the Board will not issue any consent unless they are convinced that all necessary steps are taken for abating possibilities of pollution. Recording the above submissions, this Writ Petition will stand disposed of without entering into the merits of the other grounds raised and directing that the interim order dt.12.1.07 will continue.
